Please provide a brief description of your goals for a Gluck performance (i.e. how you feel the music will impact your program, how you expect the music to benefit the audience, etc.)

**Performances may not be used for benefits, fundraisers, or other social functions where the performers are not the primary focus of the audience.*

**Please include proof of non-profit status with application.*

***While every effort will be made to satisfy your request, not all performances dates/times can be accommodated. The wider range of requested dates you provide to us, the easier it becomes to coordinate a performance date with the musicians. Performances will begin in November, 2008.*
